

# Natural Thinkers Webinar: Connecting Children to Nature - from babies to 11 year olds

Find out how you can be a part of Natural Thinkers and join us as we shine a light on supporting children's wellbeing and meeting the needs of our communities.

**Date: Wednesday 17th March 10am-12pm**

Natural Thinkers Consultants, Jo Gordon and Jacqui McDermid, will be joined by Judy Ling Wong (Honorary President of the Black Environment Network) to discuss how to connect children to nature within their local area, and the related benefits.

Find out about: the Natural Thinkers framework, our new primary science curriculum, and our Earth pledges. Hear from Headteachers and Community Leaders on how Natural Thinkers works within their settings.
