as a
purely environmental project**

**A so-called
purely environmental project
is one that
has rejected
its social, cultural
and
economic dimensions.”**

C'MON EVERYBODY!

As experts on climate change, many people ask us, what can I do personally about it?

We spoke to our team of scientists at the [Grantham Institute – Climate Change and the Environment](#) at Imperial College London and have created a digital feature to highlight [the most achievable ways you personally can make a difference.](#)

**9 Things you can do about Climate Change

Well-being of Future Generations (Wales) Act 2015

The Essentials

Well-being of Future Generations (Wales) Act 2015

A more **equal, prosperous, resilient, healthier and globally responsible** Wales, with **cohesive communities and a vibrant culture** and thriving Welsh language... go beyond simple GDP measure towards what affects the **economic, social, environmental and cultural well-being** of Wales.

The UK-wide bill is still going through Parliament

**World Urban Forum

**Culture is the 4th pillar of
Sustainable Development**

We are MORE
Stimulation from
Nature that is
unnecessarily
Beautiful

**What drives us
to achieve more is about
going beyond the bare
bones of mere survival into
the richness and beauty of
being fully human
expressed through culture**
